Allan, Francis Barclay

Oct 1915

CHEMICAL LABORATORY,
UNIVERSITY OF TORONTO,
TORONTO, October 7th 1915

61

The President,

University of Toronto.

Dear Sir,

I would suggest sending the notice about the Australian Professorship to the following gentlemen:

Professor W.J.Hale, Ann Arbor, Mich.
Professor W.A.Noyes, Univ. of Illinois, Urbana, Ill
Professor J.Stieglitz, Univ. of Chicago,
Professor Treat B.Johnson, Yale
Professor M.T.Bogert, Columbia.
Professor W.R.Orndorf, Cornell.
Professor S.F.Acree, Johns Hopkins.
Professor C.H.Herty, Univ. of North Carolina, Chapel Hill, N.C.
Professor C.L.Jackson, Harvard.

These gentlemen are the professors of Organic Chemistry in their respective universities. Professor Herty is President of the American Chemical Society.

Yours sincerely,

F.B. Allen
